

# Vedant Golegaonkar

## Data Analyst

Experience in Business Intelligence and ML

### WORK EXPERIENCE

#### Capgemini, Pune, India

Data Analyst – Dashboard Maintenance

03/2022 – 07/2023

- Collaborated with data engineers and business analysts to gain a deeper understanding of data source complexities and data model structures
- Conducted a comprehensive review of existing Power bi dashboards to identify performance bottlenecks and areas for improvement

#### Capgemini, Pune, India

Data Analyst – Sales Dashboard

- Spearheaded the development of a comprehensive sales dashboard in Power Bi, transforming it into visually compelling insights for strategic decision-making.

#### Capgemini, Pune, India

Data Analyst – Food Industry

- My key role included incorporating Key Performance Indicators (KPI's) related to sales and customer trends.

### PERSONAL PROJECTS

#### Amazon Prime Analytics Dashboard

11/2023

- Designed to offer insights into Amazon Prime's user behavior and content preferences.

#### House Sales Analytics Dashboard

11/2023

- A Power BI tool was utilized to craft an Interactive Dashboard spotlighting diverse insights into House Sales.

#### HealthCare Analytics Dashboard

08/2023

- An Interactive dashboard was created using Power Bi and the dataset (HCAHPS) was taken from Maven Analytics. This dataset is a part of monthly challenge organized by Maven Analytics.

#### Stock Market Dashboard

08/2023

- Utilizing Power BI, an interactive dashboard was developed, sourcing the dataset (Stock Market) from Kaggle.
